

MDA Stride & Ride
January 30, 2010
Cowboys Stadium

I'll be joining over 2,000 MDA families and friends for the 2010 MDA Stride & Ride. It's more than a walk—it's a reunion, an outpouring of support for families living with neuromuscular disease. Last year, we raised nearly \$450,000 to fund life-saving research.

I'd like to share this experience with you by

- Inviting you to walk on my team
- Asking for your support through a contribution

You may send your donation to me or ask me how to make an online donation.

Thanks for your help!
